

NEW
FROM

The following resources will be added to Durham Tech's database list in January 2018:

Cypress: Easy-to-use résumé building tool with a built-in writing process and automatic formatting.

Automate: Database with authoritative and up-to-date auto repair and service information on more than 38,000 vehicles.

Biography Reference Center: A comprehensive collection of full-text biographies on popular and historical figures.

CINAHL Plus with Full Text: Database of nursing and allied health journals with additional materials that include evidence-based care sheets, audiovisuals, and continuing education modules.

Consumer Reports via MasterFILE: Popular collection of product reviews and recommendations for cars, appliances, electronics, personal finance, and health information.

Novelist Plus: Book recommendation resource covering fiction, nonfiction, and audiobooks.

ProQuest Historic North Carolina Digital Newspaper Collection: 3.5 million digitized pages of historic newspaper content from the North Carolina Collection at UNC-Chapel Hill.

NEW FROM
the

DURHAM TECH

Library

The library has more than **50 new databases** purchased to support many disciplines.

PrepSTEP for 2-Year Colleges: Provides interactive tutorials, practice tests, and eBooks—for self-guided skill building, career preparation, and workforce readiness. Includes exam materials for: GED, TEAS, NCLEX, Surgical Technology, Medical Assistant, EMS, TOEFL, Firefighting, Law Enforcement, and many other occupations. (*Access begins Jan. 2018*)

Business Insights: Global offers international business publications offering the most comprehensive and convenient way to find case studies, in-depth statistical data, and the ability to compare global economies, countries and industries.

ChiltonLibrary offers automotive repair information and includes thousands of year, make and model combinations covering the most popular vehicles of the past 30 years as well as test preparation for the most popular certification exams.

Communications and Mass Media Collection provides access to academic journals and magazines focusing on advertising and public relations, literature and writing, linguistics, and more.

Criminal Justice Collection provides access to academic journals and magazines on topics including law, law enforcement, security, and terrorism.

Culinary Arts Collection provides access to academic journals and magazines on all aspects of cooking and nutrition and includes thousands of searchable recipes, restaurant reviews, and industry information.

Diversity Studies Collection provides access to scholarly journals and magazines that explore cultural differences, contributions, and influences in the global community.

Fine Arts and Music Collection provides access to scholarly journals and magazines that support research in areas including drama, music, art history, and filmmaking.

Global Issues In Context offers international viewpoints on a broad spectrum of global issues, topics, and current events. Multimedia - including podcasts, video, and interactive graphs - enhance each country portal.

Informe Académico provides access to Spanish- and Portuguese-language scholarly journals and magazines. The database offers a wide range of content both from and about Latin America.

LegalTrac provides indexing and selective full-text for all major law reviews, law journals, specialty law and bar association journals and legal newspapers. The database offers coverage of federal and state cases, laws and regulations, and legal practice and taxation.

Psychology Collection provides periodical content in all fields of psychology— abnormal, biological, cognitive, developmental, personality, and all areas of applied psychology.

US History In Context covers people, events and topics in US History including full-text magazines, academic journals, news articles, primary source documents, images, videos, audio files, and more.
